

MOCH AZMI ISKANDAR

WEB DEVELOPER

ABOUT ME

My name is Azmi. I am 21 years old. I was graduated from Bina Sarana Informatika University majoring in Information System (IS) in 2022 after receiving a scholarship as the finalist of Students Competition of Inovation and Business. I have expertise in making websites, programing language (e.g. HTML, CSS, PHP, Codeigniter 3, Laravel, and MySQL). I am certified as a software developer and programmer in 2022. In addition, I have 1 year of professional experience in the field of PHP development.
